INFANTS, TODDLERS, AND PRESCHOOL

We are glad that your family has come to worship today! Our nursery and children's area is located on the top floor, using the stairs right outside of our main lobby. We have a room for newborns as well as a Parents Room if you would like a place to privately nurse, located upstairs.

We believe that children are created to worship with us! Children of all ages are welcome to stay for worship. We believe that it gives God (and us) joy when children are singing, dancing, and participating in worship. Because of that, ages two and older are included in the opening part of worship and most services include a children's chat geared just for them. After that, our children are led upstairs to the children's area for Bible lessons and play. God put the wiggle in children, so relax! They are exactly where they need to be.

If you have any questions about our children's area or would like help finding it, be sure to ask one of our ushers and they will be happy to show you around!
